

### **Full-year guidance 2019 downgraded at SP Group A/S**

Due to lower revenue and profit than expected in the third quarter, as well as the outlook for lower revenue and profit in the fourth quarter, the outlook for the full-year 2019 is changed.

Now, SP Group expects a revenue for the FY 2019 at the level of DKK 1.9 – 2.0 billion (previously at the level of DKK 2.0 – 2.1 billion) and a profit before tax at the level of DKK 175 million (previously at the level of DKK 200 million).

SP Group will, as planned, publish its interim report for third Quarter of 2019 on 12 November 2019.
